Community Survey

YOU HAD YOUR SAY AND WE LISTENED

We asked: *Tell us about which community groups are special to you*

One of the popular responses was a demand for groups who cater for toddlers and youngsters. Please find details and information below of community groups within our villages for under 15's.

Further information and ideas suggested by residents in the survey will be published soon.

The Collingham, Harewood and Linton directory also provides information about groups and activities in the villages and can be found on the Parish Council website: [Here](#)

Collingham Village Pre-school & Toddler Group

Ofsted Registration EY 551619

At Collingham Preschool we take pride in providing a warm, nurturing environment for our children, giving them the confidence to take risks, develop their curiosity and find joy in learning and in the world around them. We deliver our curriculum through a mixture of adult-led and child-led activities with the children's interests being the driving force throughout. Our aim is to ensure the best possible outcomes for all of our children so that they leave us not only school-ready but also life-ready.

Collingham Toddler Group welcomes parents, grand-parents, nannies and child-minders to our friendly sessions for toddlers and babies. Everyone is welcome from new babies to advanced toddlers. This is a great way for parents and carers to get together over a cup of tea or coffee whilst the children play. Sessions take place between 10:00am and 11:30am every Friday during term-time in the Green Room at Collingham Memorial Hall. The cost is £3.50 which includes a drink and biscuit. There is no need to book, just come along.
