

## Neighbourhood Watch – Update of reported incidents – January 2021

### **Clifford**

25/12/20

Old Mill Lane: Overnight 25th/26th, Yorkshire stone coping stones from pond area. No one seen.

### **Boston Spa**

10/1/21

High Street: Between 10th/12th, metal pipes and guttering stole from property.

### **Barwick in Elmet**

24/12/20

Carrfield Road: About 6:30pm, offenders use ladders in garden to gain access to bedroom window which was then forced open. Search made ad property stolen.

A growing number of theft of catalytic converters from exhaust units have been reported across the Force area, although thankfully not in the Wetherby area. The thefts are taking place both day and night on owners drives, streets and supermarket car parks. Should you see someone under a vehicle especially on car parks, please report it straight away.

If you do have ladders, please keep them if possible, in garage or garden shed and secured with a substantial chain preferably to an anchor point.

We are all aware of domestic violence and it can affect anyone from all walks of life. It's not always physical it can be controlling and cohesive effecting someone mental health. It also has a knock-on effect on children. If you are concerned that a friend, neighbour, or family member be it male or female are suffering this abuse, please don't turn a blind eye. Report it, you may be that persons only means of obtaining help and support.
